The service scope and costs are detailed in the written Proposal sent to the Organisation by NEPCon, and incorporated by reference herein. Any costs, except any costs associated with unannounced site visits as specified in clause 4.1 f) above, are confirmed with the Organisation before the Organisation becomes liable to pay the costs.
- 5.2 Organisation will pay any fees required by the relevant Certification Scheme Owner and/or Accreditation Body according to the schedule determined by the Certification Scheme Owner and/or Accreditation Body. Organisation acknowledges that the Certification Scheme Owner and/or Accreditation body may amend its fees from time to time and such amendments are not within the control of NEPCon.

## 6. Certificate validity and scope

- 6.1 The basis for issuing a certificate is a positive certification decision, which is taken by an appointed NEPCon personnel. The certification decision is made taking into account the certification report and the recommendation of the audit team. NEPCon has the right to delay or postpone its certification decision in order to take account of new or additional information which has not already been considered in its audit report and which, in the opinion of NEPCon, could affect the outcome of its evaluation.
- 6.2 The Organisation acknowledges that the certification process is not complete until the Organisation has been issued a certificate registration code by NEPCon. - 6.3 The Organisation acknowledges that NEPCon shall not be obliged to enter into or maintain any commercial or other relationship with the Organisation or issue a certificate previously issued to the Organisation.
- 6.4 The length of validity of a certificate depends on the Certification Requirements, unless Suspended or Terminated early. After this period of validity, a certificate expires and is automatically Terminated. If the Organisation desires to maintain its certificate, a re-assessment is required. A new certificate is issued upon the Organisation achieving a positive certification decision. In order to avoid a gap in certification, the re-assessment shall be conducted and the new certificate shall be issued, prior to the Termination date of the existing certificate.
- 6.5 NEPCon will send a notification directly to the Organisation announcing issuance, Suspension or Termination of any certificate(s). The Organisation acknowledges that such notifications are also the basis for communicating any changes in the validity and number of certificates, under this Agreement.
- 6.6 The Organisation agrees that NEPCon is not obligated to issue or maintain certification if the activities of the Organisation conflict with the obligations of NEPCon as specified in its accreditation agreement with an Accreditation Body, or which, in the sole opinion of NEPCon reflect badly on the good name of NEPCon.
- 6.7 The Organisation acknowledges that meeting all Certification Requirements and timely payment of all certification costs and fees is a requirement for maintaining a valid certificate.
- 6.8 The Organisation agrees to notify NEPCon about any desired changes to the Certification Scope before these changes are implemented. NEPCon will evaluate the need for additional audit activities, if any, and will agree with the Organisation the steps that need to be taken before the scope can be changed.

- 6.9 The Organisation has the right to object to the audit process or appeal a certification decision to NEPCon in accordance with NEPCon and Certification Scheme Owner policies and procedures.
